L-1 WISH ARTWORK (SET SAIL FOR HOPE)

Be the proud owner of this professionally framed artwork masterpiece by ten-year-old Wish Kid, Ella. Before Ella was born, she was diagnosed with a heart defect that lead to three open heart surgeries before she turned two years old. Despite the challenging medical journey, Ella is a fun-loving child who is smart, energetic and active.

Ella's heartfelt wish was to set sail on a cruise with her family! On her cruise, Ella was most excited to dress up like a princess, enjoy time with her family, meet her favorite characters and spend time playing in the water. This wish gave Ella the opporutnity to relax and enjoy being a kid without thinking about her next doctor's visit. OAKVILLE

L-5 BARCELONA IN STYLE

Barcelona is the world’s most captivating city. Enjoy six (6) nights at the Gran Hotel La Florida, this package includes round trip air travel for two (2) from Oakland International Airport. The sun-drenched beaches of the deep blue Mediterranean Sea collide with boundless culture, fabled architecture and a world class drinking and dining scene.

The city has long inspired artists, including the likes of Picasso, Dali and Miro (whose museums you can visit!), but its great artistic traditions do not end at the canvas. Towering temple columns, ancient city walls and subterranean stone corridors over 2000 years old provide a window into the Roman era. Fast forward a thousand years to the Middle Ages by taking a stroll through the shadowy lanes of the Gothic quarter, past tranquil plazas and soaring 14th-century cathedrals. And don’t forget to try Catalan cooking. Remarkable delicacies are served on small plates in Basque-style tapa bars, Galician seafood taverns and avante-garde restaurants of all kinds.

Finally, the night holds limitless possibilities. Start with sunset drinks from a panoramic terrace or dig your heels in the sand at a rustic beachside chiringuito. As darkness falls, live music transforms the city: the rapid-fire rhythms of flamenco, brassy jazz spilling out of basements, and hands-in-the-air indie-rock at vintage concert halls. Towards midnight the bars fill. Take your pick from old-school taverns adorned with 19th-century murals, plush lounges in lamp-lit medieval chambers or boisterous cava bars. If you’re still standing at 3am, hit the clubs and explore Barcelona’s unabashed wild side.

Your Hotel: The Gran Hotel La Florida is regarded as one of the top 5-star luxury resorts in the city. With a prime location on the highest peak in Barcelona (Mt. Tibidabo), you will enjoy magnificent vistas and uncompromised luxury offered in a unique setting of peace and relaxation. History, luxury and the Mediterranean lifestyle blend together to create a remarkable and unforgettable experience.

Your Air Travel: Oakland International Airport offers the only nonstop flights from Northern CA to Barcelona, and since flying to Europe requires an overnight flight, this is the best way to go. Meals in flight, one checked bag and one carry on are included. Upgrade to Premium Cabin available at market rate.

Please Note:

- Reservations are subject to availability; and may not be made over the Christmas or New Year’s holidays.
- Air travel out of Oakland on Norwegian Airlines. Airport change to SFO, Sacramento or San Jose available for \$350 per person, and all flights will have at least one stop. Frequent flyer miles may not be used for cabin upgrades.
- Airport taxes and a \$25 per person processing fee are not included and will be charged at time of booking.
- Travel must be booked within one year and travelled within two years. 12-month extension available for \$500.
- Travel must be booked at least 60 days in advance.

L-13 FUEL YOUR BODY, FEED YOUR SOUL

Matt Woolston’s, Executive Chef of The Supper Club, Matteo’s Pizza and Bistro & Backbone Cafe, Sacramento philosophy on dining is reflected well in Art Buchwald’s statement, “Dinner is not what you do in the evening before something else. Dinner is the evening.” Matt has developed his skill for Mediterranean cuisine with a California touch in Sacramento for over 25 years.

“Backbone Café” hopes to serve as the backbone for a happier, healthier, more open minded & thoughtful Sacramento community. We use whole food ingredients from only the purest sources. We aim to create an environment where our customers feel comfortable enough to take the time to talk, meet each other, & discuss new ideas that can help excel Sacramento into something special. flags in our hallway containing multiple theories & philosophies from different times and cultures which still hold value today. You'll also find a beautiful wall mural depicting the powerful psilocybin mushrooms & Caapi Vines used to brew Ayahuasca (both of which are making their way into the public knowledge for their amazing potential in human growth). L-14 A TASTE OF PORTLAND - SPICE SUPPER CLUB

Pack your bags, six (6) lucky travelers are jetting off to the beautiful city of Portland Oregon! You will be flying in style with six (6) round-trip airways certificates and staying at a luxurious Portland waterfront hotel. SPICE! Culinary masterfulness in the making. Its private supper club experience came to life because of three simple truths:

1. We love good food and wine
2. We love our friends ... and meeting new ones
3. We love the outcome when the two collide ... and we are held responsible for it.

Meet Chef Long, Come join our table!

"My entire life I have spent many weekends cooking for my friends. Having never worked in a professional kitchen or restaurant, I always saw cooking as my creative outlet vs. a business. 12 years ago, while in college, I met my wife working

in a bar in Eugene, OR. There was something intoxicating about our mutual love for making people happy with food and wine. 11 years later we found ourselves hosting 8 course dinner parties for our friends each month in San Francisco. We both had stressful day jobs and found that spending time with our friends with food and wine made us forget what we did during the week. As the group seemed to grow each month, we eventually realized it was time to find new places to host our dinner parties. It was at that moment that we started SPICE Supper Club together. Our motto is "there's nothing fancy about it except the food" ... our goal is to always remain true to this. To those of you who have been our guest before, thanks for letting us host you and do what we love to do most. And for those of you who have never experienced SPICE, we hope you'll join our table soon! Happy eating, drinking and living life with a full heart and belly!"

Cheers, Chef Ben Long

The successful bidder and guests will be treated to a 5-course tasting menu in Chef Ben and wife Kelly's home complete with wine pairing from their private wine collection. This trip and experience will long be remembered and celebrated the "SPICE" way!

Exclusions: Expires April 2020 - Dates to be mutually agreed upon
